FROM THE EDİTÖR

Dear readers,

We are delighted and proud to present to you the first issue of the second volume of our journal Artistic View Journal. Artistic View Journal is a peer-reviewed, open-access academic journal that publishes original research articles, compilation studies, and critical reviews in the fields of theoretical and applied arts. The journal is published twice a year, in June and December, in both Turkish and English. Artistic View Journal aims to make scientific knowledge accessible to a wide audience through its open access policy, providing unlimited access to academic content and fostering interdisciplinary collaboration among researchers worldwide. Artistic View Journal aims to comply with the guidelines and basic practices established by various organizations, including the Committee on Publication Ethics (COPE) guidelines and the Principles of Transparency and Best Practice in Scholarly Publishing (COPE, DOAJ, OASPA, WAME joint statement). These guidelines and recommendations are designed to promote transparency, integrity, and best practices in scientific publishing. The journal aims to ensure that the research it publishes is of high quality and meets the ethical standards of the scientific community by adhering to these standards. All published content will be licensed under the Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0), which allows non-commercial use, distribution, and modification, provided that the original source is properly cited.
